

## DRDO GOLDEN JUBILLE STUDENTS CONTEST

### CLARIFICATIONS FOR STUDENTS QUESTIONS (Posted on 22nd Sept 2009)

1. Questions on the Design solution /Narrowed down specific technical details viz. range of communication/station, bought out sensors or designed ones, video resolution, what platform to use/ will you provide the platform etc. etc. etc. /Clarification on the problem statement /cost of the design etc.

Answer : The contest is to evaluate and reward the most creative and innovative design/solution for the goals set by the problem statements. Hence narrowed down details that curtail the innovativeness and original thinking in conceiving a solution are not included in the problem statement. The **entire** approach to the problem in all its aspects (as a few mentioned in the above questions) is to be conceived by the team and solution arrived at.

2. Can more than one college/university participate in a single team ?

Answer : With the due acceptance of the management of the colleges, Yes. This should be reflected in the single nomination proforma by signatures of the Head of the respective institutions.

3. Can more than two nominations from a single institution be sent?

Answer: The head of the institution should clarify the reason for forwarding more than two nominations. The committee's decision is final.

4. Can M.Sc/MCA, Ph.D and fresh graduates/postgraduates, 1<sup>st</sup>/2<sup>nd</sup> year degree students (either awaiting results or just passed) participate ? And students from outside India?

Answer: Sorry! Better luck next time
